

**10 (a)** State the purpose of the A\* and Dijkstra's algorithms.

.....  
..... [1]

**(b)** Outline the difference between the A\* and Dijkstra's algorithms.

.....  
.....  
.....  
..... [2]

**(c)** Explain how unsupervised learning takes place in machine learning.

.....  
.....  
.....  
.....  
.....  
..... [3]
