

30 The diagram shows the effect of a government removing the tariff on imports of rice into its country.

How would the removal of this tariff affect the consumer surplus and the government's revenue?

	consumer surplus	government revenue
A	increases by VUT	decreases by WVTX
B	increases by VUT	decreases by WVQ_3Q_2
C	increases by P_1VUP_2	decreases by WVTX
D	increases by P_1VUP_2	decreases by WVQ_3Q_2
